

Monroe County United Ministries, Inc

2011 Childcare Toy Box List

These are mostly items that are “well loved” by the children in our childcare programs and therefore need to be replaced. These items can be purchased at any local discount store such as Target, Walmart or K-Mart. If you can't find them, we can order from a supplier. Thank you for your assistance - your gift makes a *difference* in the quality of care at our center. Call 339-3429 if you have any questions and ask for Traci or Meri.
